

AMATEUR STARS PERFORM CLEVERLY AT OPERA HOUSE

Society Turns Out to See
the Broken Hearted.

EMBRYONIC CELEBRITIES GIVE
AUDIENCE A GOOD LAUGH

The Elks Opera house was well filled last night with an audience representative of the society set of Albuquerque. The occasion was the performance of the well known comedies, "The Broken Hearted Club" and "Sarah's Young Man," by the piece of the amateur theatrical talent of the city. The play was given under the auspices of the Woman's club of Albuquerque, and considering the short time for rehearsal the ladies are feeling pretty well satisfied over the result of the undertaking.

Every member of the cast did well, and as all were people well known and popular with the audience it didn't matter whether they showed themselves finished actors and actresses or not. The leading players alike were all thoroughly in the spirit of the play, and so it was a jolly evening for both. The leading performers acquitted themselves quite cleverly, and the whole performance showed that the ladies in charge and the amateur celebrities had taken great pains in getting up the affair. It was certainly a distinct social success and the ladies cleared a satisfactory sum from the sale of tickets.

Those who took part in the performance were Mesdames H. H. Carson and E. L. Medler, Misses Ada Campbell, May Haxelinde, Sue Dobson, Ellen Satter, Mabel Strong, and Helen Rodey, and Messrs. J. W. Wilson, Kirk Bryan, Joe Scott, L. C. Bennett, Howard Clark, A. Trimble, and H. S. Pickard.

HIGH WINDS BLOWING ISLAND INTO THE SEA

Gales and Gales Threaten Lanai, the smallest of the Hawaiian group, and the smallest inhabited island, is being held bare by the ravages of wild winds and is blowing away of its vegetation and soil by high winds. The island has just returned from a trip to the island in the tug freighter, and expresses the opinion that if it were not taken to prevent the continued destruction of vegetation, the island will rapidly become barren altogether. About twenty-five years ago a colony of about 100 Hawaiians settled on the island. The government took two of them from the island, and each over 100 years of age, and are the only residents of the island aside from Charles Gay, who leases it, and his employees. But for assistance the two old natives would have died of starvation.

WOMEN AFTER SMOOT.

Meeting of Committee at Philadelphia—Petition for Senate. Philadelphia, Pa., Dec. 1.—A meeting of the executive committee of the National League of Women's Organizations, formed two years ago to oppose the continuance in the United States senate of Senator Reed Smoot, of Utah, was held here this week. Women from all sections of the country were present. It was announced that a petition will be presented to the senate asking for the exclusion of Mr. Smoot on the ground that he is a member of a hierarchy whose president and a majority of the members practice and teach polygamy. The memorial will state that "Mr. Smoot has never raised his voice against those doctrines and the Mormon hierarchy has broken its covenant which it gave to the United States when statehood was granted." The petition has been signed by nearly a million women and will be presented by a senator from each state. A letter was read at today's meeting from the Women's American club of Salt Lake City, thanking the league and the national organizations for their anti-Mormon campaign. A meeting of the presidents of all women's organizations throughout the country will be held in this city on December 6.

VARSITY OUTCLASSED BUT NO FALLING OFF IN DEMAND

PUT UP A GAME FOR NEW MEXICO
FIGHT BRONCOS

The Varsity football eleven returned yesterday afternoon from Las Cruces, where they were defeated by a score of 40 to 0 by the Agricultural college team on the preceding day. The boys admitted that they were outclassed by the heavy team from the Agricultural college, which averaged about fifteen pounds more in weight than the Albuquerque team. The "Farmers" however, and their coach, Prof. Miller, said that the Varsity gave the Las Cruces team the hardest fight they have had this season.

The game was played in thirty-minute halves. At the end of the first half the score stood 28 to 0. When the game started the Varsity began effective line blocking but soon became more or less demoralized, as the strength of the "Farmers" became apparent. In the second half, however, the locals braced up and began to show steadily back the Mesilla team. The letter was pushed to within five inches of the goal, but in spite of heroic exertions the Varsity was unable to make the distance, sacrificed the ball, and the "Farmers" went through for a touchdown.

The Varsity boys acquitted themselves ably, considering what they were up against. The game was a good clean one all the way through. C. D. Case acted as umpire. Teacher was referee, and L. W. Case officiated as score-keeper.

Thursday morning the Agricultural college played the Las Cruces team, the game ending in a tie of 10 to 10.
